I picked this book up and was ready to dive into the scary mystery that the synopsis had eluded to. There are so many books being published every month, so how can we boil a year's worth of titles down to a few bests. Because it's about so much more than the cabbage, isn't it. View applications. That's the way it is. Lieafterlieafterlie. These people of the remote future were strict vegetarians, and while I was with them, in spite of some carnal cravings, I had to be frugivorous. Che la sfida abbia inizio.
