## **Devils Twin Swords Book 7 - Edited**

I read this book back in the 90s. Testimony to have experienced God will have no more weight than testimony to have experienced a round square, and non-religious explanations of religious experience-like those of Freud a result of wish-fulfillmentMarx a reflection of the economic baseor Durkheim a product of social forces -will increase their appeal.

## **Aerobic Granular Sludge**

It discusses the linkage between politics and law implementation, for example in court systems, policing and social policy implementations. So, I added those 2 ingredients to the mashed potatoes hence the vegetarian version.

## **Voices from the Harem (Human Trafficking Series Book 3)**

The text is limited to naming and describing animals and their

activities, without too much superfluous knowledge; included are clear, painstakingly executed color illustrations which are even more informative than photographs, since they do not confuse the reader with ingenious and decorative close-ups, which are often more for sales-promoting than illuminating.
