Boss with Benefits: A BDSM Billionaire Boss Erotica Short Story (Daddys Girls Erotic Tales Book 1)

This is such a fabulous idea.

The strength and weakness of human reason: or, The important question about the sufficiency of reason to conduct mankind to religion and future happiness, ... by an impartial moderator [I. Watts]

Promoting optimal health is a useful analogy: optimal health is the result of many contributing factors, rather than a single, causal factor. In comparison, the DeBaKey classification system is based on the site of origin, with type I originating in the ascending aorta and propagating to at least the aortic arch, type II originating in and confined to the ascending aorta, and type III originating in the descending aorta and extending distally or proximally.

The Great Paranormal Clash

Great alone or served with rice. I suspect that a coherent whole does exist.

The strength and weakness of human reason: or, The important question about the sufficiency of reason to conduct mankind to religion and future happiness, ... by an impartial moderator [I. Watts]

Promoting optimal health is a useful analogy: optimal health

is the result of many contributing factors, rather than a single, causal factor. In comparison, the DeBakey classification system is based on the site of origin, with type I originating in the ascending aorta and propagating to at least the aortic arch, type II originating in and confined to the ascending aorta, and type III originating in the descending aorta and extending distally or proximally.
