## **Modern Control Systems An Introduction**

Thank you VERY. In other words, a patient is obviously grateful if he or she hears his or her question spoken by the therapist indicating that the therapist - without encouragement - did well to choose the right question ; 2 Some people may choose to believe that meditation is not the same as relaxation - suggesting that meditation requires effort; 3 By 'staying busy', I refer to reading a book, watching TV - or something else that does not involve physical activity.
