Travelling down to Cape Town like everybody else and not seeing the Indian Ocean is the same as travelling to The Netherlands and not try cheese. We believe that their learning should be fun, positive, and interactive.

English Lands Letters and Kings: The Later Georges to Victoria

The Fascist government set up many institutions designed to forge a consensus both within professional culture and in the larger public. To that effect, we will contextualize it by having in mind some key-concepts pertaining to this field, namely in what regards deafness and its developmental and social-cultural implications, as well as PSL linguistic specificities and professional interpretation activity.
