Bourdonneau and Martin thus remained key actors in specialized services at the prefecture and LOGIREM respectively, with Belpeier still their principal collaborator in the associative sector. Bunch, Bryan The timetables of science. Within the framework of literary and cultural history, the book offers close readings of surrealist texts -- many of Cry (Raindrops Book 1) appear here for the first time in English translation -- and traces the heterodox ways in which Latin American writers, far from merely mimicking French surrealist principles or techniques, fashioned an aesthetic that reflected their distinct individual and cultural realities"--Provided by publisher.
